coordinate, liaison and supervise the exercise of various powers and discharge of various functions by the inspection committee;

coordinate with the Authority and submit report of its performance on quarterly basis; and

constitute a review committee and assign any task for resolution of any dispute in relation to report of inspection committee.

In the performance of its functions, the Registration Board shall take

into consideration the policy, guidelines, instructions, directives and orders issued by the Authority from time to time.

CHAPTER IV  
REGULATION OF HEALTHCARE

17. Setting standards.—(1) The Board 'shall constitute technical committees for laying down different standards for the purpose of measuring the quality of healthcare services for registration of the healthcare establishments, healthcare professional and equipment.

(2) The Board may constitute technical committees in other areas if it deemed necessary.

(3) The Board may constitute policy advisory committee comprising members of such institutions in health and other related sectors as it may deem appropriate.

18. Establishment of inspection committee.—There shall be established an inspection committee by the Registration Board which shall be responsible for conduct of pre-registration, post-registration, pre-renewal and other inspections of healthcare establishments, as and when deemed necessary or when so directed by the Registration Board or the chief executive officer.

19. Members of the inspection committee.—(1) The inspection committee shall consist of the following, namely:— :

(a) head of inspection committee who shall be nominated by the Registration Board from amongst its members;

(b) subject specialists of a medical college or hospital, nominated by the Registration Board according to the scope of the services of the healthcare establishment being inspected;

(c) professional auditor with training and experience in hospital quality auditing; and

(d) executive director of a public hospital.

(2) The Registration Board shall develop a pool of experts from relevant field from which the members of an inspection team shall be chosen.

20. Inspection Team.—(1) The Authority may, by order in writing, appoint an inspection team to perform the functions and exercise the powers of the Authority for inspections under this Act, subject to such conditions and limitations as the Authority may specify in this behalf.

(2) The inspection team may inspect a healthcare establishment, equipment and healthcare services provided by the healthcare establishment for grant, renewal; suspension or cancellation of registration or licensing.

(3) The inspection team may inquire any case if there has been any instance or allegation of mal-administration, malpractice or failure in the provision of healthcare services against a healthcare establishment.

(4) The Authority may impose a fine which may extend to fifty thousand rupees upon a healthcare professional who—

(a) refuses or fails, without reasonable cause, to furnish any information to the inspection team; or

(b) gives any false or misleading information to the inspection team.

(5) Except in the case of a prosecution for an offence under this Act, a member of the inspection team shall not be bound to give evidence in any proceedings in respect of, or to produce any document containing, any information which has been obtained from any healthcare establishment in the course of carrying out any investigation, inspection, inquiry or performing any duty or function under this Act.

(6) A member of the inspection team shall not disclose any information at any forum which is contained in the medical record or which relates to the condition, treatment or diagnosis of any person as may have come to his knowledge in the course of carrying out any investigation, inspection, enquiry or performing any duty or function under this Act unless allowed in writing by the Authority.

21. Registration—{(1) An owner of existing healthcare establishment shall, within a period of ninety days of the coming into force of this Act, apply therein in accordance with this Act for registration of its health establishment, healthcare professional working therein and equipment being used therein.

(2) A person seeking registration for its healthcare establishment, its healthcare professional and equipment shall make an application to the Registration Board in the prescribed form and accompanied by such particulars, documents and fee as the Authority may prescribe.

(3) The Authority shall within a period of not exceeding fourteen days of the receipt of application issue to the person a certificate of registration, if all requirement, under this Act are fulfilled, otherwise the applicant shall be considered as having provisionally registered for a period of three months.

22. Licensing.—(1) No healthcare establishment shall render any healthcare services unless duly licensed as such by the Authority.

(2) If a healthcare establishment is not licensed under this Act, the Authority may impose a fine, which may extend to ten hundred thousand Rupees, upon the in-charge of the healthcare establishment.

23. Application for licence.—Within thirty days of the issuance of the certificate of registration or such other time as may be determined by the Authority, the healthcare establishment shall make an application, for a licence, to the Authority in the prescribed form which shall be accompanied by such particulars, documents and fees as the Authority may prescribe.

24. Licensing procedure.—(1) The Authority shall, on receipt of an application under section 23, complete with all requisite documents, issue a provisional licence to the healthcare establishment and shall, within a period of not exceeding thirty days from the date of acceptance of the application, issue the regular licence to the healthcare establishment.

(2) The Authority may, before issuing the licence, inspect the healthcare establishment which is to be licensed or cause such healthcare establishment to be inspected by an inspection team.

(3) Licence issued by the Authority, under this section,--

(a) shall be in such form as may be prescribed;

(b) shall be valid for a period of five years; and

(c) may be renewed upon expiry.

25. Kinds of licences—(1) Every licence of a healthcare establishment shall specify the kind of healthcare establishment for which it is issued and the purposes of the healthcare establishment.

(2) A licensed healthcare establishment shall not be used for any purpose other than the purposes in respect of which the licence is issued and purposes incidental to such purposes.

(3) The Authority shall maintain a register of all licensed healthcare establishments and may enter in the register any necessary details or other particulars of the healthcare establishments.

26. Revocation and suspension of licence.—(1) The Authority may after giving an opportunity of hearing revoke a licence if the licence has been obtained by fraud or mis-representation.

(2) The Authority may suspend a licence of a healthcare establishment if it is satisfied that— .

(a) services provided by the healthcare establishment are not meeting minimum safety standards and that the services rendered are harmful;

(b) cases of medical negligence, mal-administration, malpractices have been proved against the healthcare establishment; and

(c) fails to comply with instructions and directions of the Authority.

(3) Where any contravention of this Act is committed by a body corporate and it is proved to have been committed with the consent or connivance of, or to be attributable to, any director, manager, secretary or other officer or employee of the body corporate or any person who purported to act in any such capacity he as well as the body corporate shall be liable to pay fine for such contravention.

(4) Where it appears to the Authority that the circumstances of a case warrant action under any law, the Authority may refer such case to the concerned governmental authorities or law enforcement agencies for appropriate action under relevant laws.

27. Quality improvement.—(1) The Authority shall facilitate and support healthcare establishments for continuous quality improvement.

(2) The Authority shall develop and establish linkages with national and international relevant bodies or organizations for this purpose.

28. Public sector registration.—(1) The public sector healthcare establishments shall be deemed to have been registered under this Act. .

(2) The Federal Government shall provide list of public sector healthcare establishments with the scope and extent of services provided by each category of hospital or institution.

(3) The Federal Government shall be responsible to certify that its healthcare establishments meet minimum safety standards set by the Authority.

(4) The public sector healthcare establishments shall apply for licensing of healthcare services being rendered by them.

## CHAPTER V

### OFFENCES, PENALTIES, PROCEDURE, COMPLAINTS AND ENFORCEMENT

29. Penalties.—(1) Notwithstanding anything contained in any other law, the Authority may, for contravention of a provision of this Act, rules and regulations, impose penalties which may extend to ten hundred thousand Rupees keeping in view gravity of the contravention.

(2) The Authority shall afford adequate opportunity of hearing to a person before imposing penalty under sub-section (1).

(3) If the complaint, submitted either by an aggrieved person or a healthcare professional, is proved false, the Authority may impose penalty which may extend to two hundred thousand Rupees upon the complainant.

(4) The Authority may revise the quantum of penalties under this section with the approval of the Federal Government.

30. Offences.—(1) Whoever himself or by any other person on his behalf establishes any healthcare establishment without registration or a licence shall be punishable with imprisonment for a term which may extend to five years or with fine which may extend to one million Rupees or with both:

Provided that the Board shall cause to conduct an inquiry to calculate the degree of care, damage, diligence or negligence, within a period of ninety days, by such group consisting of experts of allopathic or alternative medicine system, as the case may be.

(2) Whoever obstructs an inspection in the exercise of any power conferred upon him by or under this Act or disobeys the lawful authority of any member of inspection team, he shall be punishable with imprisonment for a term which may extend to six months or with fine which may extend to fifty thousand Rupees or with both.

(3) The quackery by person who does not qualify to be registered or licensed under this Act shall be non-bailable and cognizable offence punishable with seven years of imprisonment or fine which may extend to two million Rupees or with both.

31. Appeal.—(1) An appeal may be made to the Authority against order of the Registration Board and to the Secretary, Ministry of National Health Services,

Regulations and Coordination against order of the Authority within thirty days from the date of communication of the order.

(2) An appeal may be made by the person who is aggrieved by the—

(a) refusal of the Authority to issue or renew a licence;

(b) decision of the Authority to suspend or revoke a licence;

(c) order of closing down of a healthcare establishment or making improvements in the healthcare establishment;

(d) order relating to equipment, apparatus, appliances or other things at a healthcare establishment; or

(e) imposition of fine by the Authority.

32. Cognizance by court—{(1) Save as provided in this Act, no court other than the Court of Sessions assume jurisdiction under this Act unless a complaint in writing is filled before the aforesaid court by the Authority?}

33. Complaints.—{(1) The Authority shall investigate the complaints relating to healthcare establishment, healthcare professional, healthcare services and medical negligence.

(2) The Authority shall define-

(a) kinds of complaints;

(b) categories or different kinds of medical negligence; and

(c) mal-administration, malpractice and failure in provision of healthcare services.

(3) The recognized and known complications of a medical or surgical treatment are not considered as medical negligence.

34. Procedure of investigation—{(1) The Authority shall prescribe the procedure for the conduct of investigation to be carried out by the Authority under this Act.

(2) An aggrieved person may, within sixty days from the date of knowledge of the cause of action, file a complaint against a healthcare professional or healthcare

establishment by submitting an application in writing supported by an affidavit of the aggrieved person.

(3) The Authority shall not entertain an anonymous or pseudonymous complaint against a healthcare professional or healthcare establishment.

35. Directions as to apparatus, appliance, equipment or products.—

Where, in the opinion of the inspection team, the use of any apparatus, appliance, equipment, instrument, product, goods or item or carrying out of any practice or procedure in a healthcare establishment is dangerous or detrimental to any person therein or otherwise unsuitable for the purpose for which it is used or carried out, he shall immediately report the matter in writing to the Authority along-with the necessary details. On receipt of report the Authority may act in accordance with the provisions of this Act.

36. Action done in good faith.—No suit or other legal proceedings shall lie against the authority, board, technical advisory committee, chief executive officer, officers, inspection teams, advisers, consultants or agents of the Authority for anything done in good faith in the execution or purported execution of this Act, rules or regulations made thereunder.

#### CHAPTER IV

#### EMPLOYEES, FUND, BUDGET AND ACCOUNTS

37. The Fund.—(1) There shall be established a fund to be known as the Islamabad Healthcare Regulatory Authority Fund, hereinafter referred to as the Fund, which shall vest in the Authority and shall be utilized by the Authority to meet charges and expenses in connection with the affairs of the Authority.

(2) The Fund shall consist of—

(a) such sums as the Government may grant by way of seed money or otherwise;

(b) donations from domestic and international donor agencies and other institutions;

(c) grants of money and sums borrowed or raised by the Authority for the purposes of meeting any of its obligations or discharging any of its

duties;

(d) fees, per diems, fines or other charges imposed under this Act; and

(e) all other sums which may in any manner become payable to or vested in the Authority in respect of any matter incidental to the exercise of its functions and powers. .

38. Budget. —~ 1) Within ninety days of its establishment, the Authority shall prepare and submit to the Board for its approval, a budget for the period up to and including the end of the then current financial year and thereafter it shall, not later than thirty days before the expiry of each financial year, submit to the Board for approval a budget for the next financial year in accordance with prescribed procedures and shall maintain complete and accurate books of accounts of its actual expenses and receipts and the funds.

(2) The budget prepared by the Authority shall be reviewed by a budget committee consisting of one representative each of the Authority, the Federal Government and the private sector nominated by the Federal Government. The private sector nominee shall not have any conflict of interest in the Authority's oversight of regulated activities. The budget committee shall ensure that the Authority complies with all requirements of this Act. The budget committee shall take its decisions by simple majority of its members.

(3) No expenditure shall be made for which provision has not been made in any approved budget except if made from any previously approved contingency funds, unless further approval is sought and obtained from the Board.

39. Bank accounts—The Authority may open and maintain it's accounts in Rupees or in any foreign currency at such scheduled banks as it may from time to time determine.

40. Annual report, accounts and audit—{1) Within ninety days from the end of each financial year, the Authority shall, in consultation with the Board, cause a report to be prepared on the activities of the Authority including investigations and enquiries made by the authority under this Act during that financial year and release to the public and simultaneously present a copy of the report to the Federal Government.

(2) The Authority shall cause proper accounts to be kept and shall as soon as practicable after the end of each financial year cause to be prepared for that financial year a statement of accounts of the Authority which shall include a balance sheet and an account of income and expenditure.

(3) The Authority shall cause the statement of accounts to be audited by auditors, appointed by the Authority with the approval of the Federal Government, who shall be a firm of chartered accountants. Any casual vacancy in the office of auditor appointed under this section may be filled in by the Authority.

(4) The auditors shall make a report to the Federal Government, upon the annual balance sheet and accounts and in any such report they shall state whether in their opinion the balance sheet is a full and fair balance sheet containing all necessary particulars and properly drawn up so as to exhibit a true and correct view of the affairs of the Authority and, in case they have called for any explanation or information from the Authority, whether it has been given and whether it is satisfactory.

(5) The Federal Government may if it deems fit also require the accounts of the Authority for any financial year to be audited by the Auditor General of Pakistan.

(6) The Board shall, within one hundred and twenty days of the end of each financial year, together with the annual report of the Authority send a copy of the statement of accounts of the Authority certified by the auditors and a copy of the auditors' report to the Federal Government which shall cause them to be published in the official Gazette.

41. Investments.—(1) Subject to sub-section (2), the Authority may, in so far as its moneys are not required to be expended under this Act, invest the surplus moneys in such manner as may be prescribed.

(2) The Authority shall not invest its money in listed securities or any derivative thereof whether listed or not.

## CHAPTER VII MISCELLANEOUS

42. Employees of the Authority.—To carry out the purposes of this Act, the Authority may, from time to time, engage such experts, consultants, consultancy firms, advisers and other officers and staff members on such terms and conditions as it may prescribe.
