'THE BOILERS AND PRESSURE VESSELS ORDINANCE, 2002
(CXXI of 2002)
[13 November, 2002]

An
Ordinance
to amend and consolidate the law relating to boilers and pressure vessels

WHEREAS it is expedient to amend and consolidate the law relating to boilers and pressure vessels.

AND WHEREAS it is expedient to provide for regulation, use, construction, installation and repair of boilers and pressure vessels; prescribe uniform rules and regulations for boilers and pressure vessels and for matters ancillary thereto or connected therewith;

AND WHEREAS the President is satisfied that circumstances exist which rendered it necessary to take immediate action;

NOW, THEREFORE, in pursuance of the Proclamation of Emergency of the fourteenth day of October, 1999, and the Provisional Constitution Order No. 1 of 1999, read with the Provisional Constitution (Amendment) Order No. 9 of 1999, and in exercise of all powers enabling him in that behalf, the President of the Islamic Republic of Pakistan is pleased to make and promulgate the following Ordinance:—

1. Short title, extent and commencement.— (1) This Ordinance may be called the Boilers and Pressure Vessels Ordinance, 2002.

(2) It extends to the whole of '[the Punjab.]

(3) It shall come into force on such date as the [Government] may, by notification in the official Gazette, specify in this behalf and different dates may be specified for different provisions.

2. Definitions.— (1) In this Ordinance, unless there is anything repugnant in the subject or context,—

(a) "accident" means an explosion of a boiler or any part thereof which results to weaken the structural strength and render it due for further

'Pursuant to the proclamation of Emergency of the fourteenth day of October 1999, and the Provisional Constitution Order No. 1 of 1999, read with the Provisional Constitution (Amendment) Order No. 9 of 1999, and in exercise of all powers enabling him in that behalf, the President of the Islamic Republic of Pakistan promulgated this Ordinance which was published in the Punjab Gazette (Extraordinary) dated 13 November 2002, pages 1914-1928.

This Ordinance was originally in the Federal ambit, however, the subject on which this Ordinance was promulgated devolved to the provinces by virtue of 18th Amendment in the Constitution, hence it was adapted, with amendments, for the province of the Punjab by the Punjab Boilers and Pressure Vessels (Amendment) Act 2013 (XX of 2013); and published in the Punjab Gazette (Extraordinary), dated 3.9.2013, pages 805-807.

Substituted by the Punjab Boilers and Pressure Vessels (Amendment) Act, 2013 (XX of 2013); and published in the Punjab Gazette (Extraordinary), dated 3.9.2013, pages 805-807, s.3.

Slbid., s.2, for the words "Federal Government".

certification;

(b) | “Ad hoc Technical Committee” means the Ad hoc Technical Committee constituted under section 26;

(c) “Board” means the “[Punjab] Boilers and Pressure Vessels safety Board constituted under section 25;

(d) “boiler” means a closed vessel exceeding twenty-five liters in capacity in which water is heated, steam is generated and superheated or a combination thereof under pressure, for external use by the application of heat from combustible fuels, electricity or external thermal energy, and includes any mountings or other fittings attached to such vessel which are wholly or partly under pressure when steam is shut off by isolating valve mounted on steam generation equipment;

(e) “Chief Inspector and Deputy Chief Inspector” means, respectively, a qualified person appointed to be a Chief Inspector and Deputy Chief Inspector under this Ordinance;

‘l(f) “Department” means “the Industries, Commerce and Investment Department of the Government;]

(g) “design specification” means the specifications or standards as specified in the codes referred to in clause (k) to which the boiler shall be designed or manufactured and examined;

(h) “economizer” means any part of heat exchange surface that is wholly or partly exposed to the flue gases for the purpose of recovery of waste heat;

‘[(hh) “Government” means Government of the Punjab;]

(i) “Inspector” means an Inspector appointed under this Ordinance;

(j) “Inspection Authority” means the organization other than manufacturer and user, approved by the Board authorized to carry out inspection ‘[of a boiler or pressure vessel] during manufacturing, first registration and yearly inspection as provided under this Ordinance and includes the approved third party inspection companies and insurance companies;

(k) “manufacturer” means the company or firm recognized by the Board, competent to manufacture complete or in parts, a boiler, or fitting, and completes the product and is responsible for the product according to any one of the following codes, namely:—

(i) Pakistan Boilers Regulations;

“Substituted by the Punjab Boilers and Pressure Vessels (Amendment) Act, 2013 (XX of 2013); and published in the Punjab Gazette (Extraordinary), dated 3.9.2013, pages 805-807, s.4.

5Substituted by the Punjab Boilers and Pressure Vessels (Amendment) Act 2017 (XI of 2017), published in the Punjab Gazette (Extraordinary), dated: 31_May 2017, pp. 7673-7677, s.3. It was earlier substituted by the Punjab Boilers and Pressure Vessels (Amendment) Act, 2013 (XX of 2013); and published in the Punjab Gazette (Extraordinary), dated 3.9.2013, pages 805-807, s.4.

®Inserted by the Punjab Boilers and Pressure Vessels (Amendment) Act, 2013 (XX of 2013); and published in the Punjab Gazette (Extraordinary), dated 3.9.2013, pages 805-807, s.4.

"Inserted by the Punjab Boilers and Pressure Vessels (Amendment) Act 2017 (XI of 2017), published in the Punjab Gazette (Extraordinary), dated: 31 May 2017, pp. 7673-7677, s.3.

(ii) ASME (American Society of Mechanical Engineers);

(iii) | BS (British Standard);

(iv) TRD;

(v) JIS (Japanese Industrial Standard);

(vi) I.S.O. Standards; and

(vii) | Prevailing internationally approved code subject to the approval of the Board;

“owner” includes any company who is in the possession of a boiler or under whose name it has been registered;

“prescribed” means prescribed by regulations or rules made under this Ordinance;

“pressure vessel” means ‘[a vessel categorized as such in the rules] along with its fitting other than a Boiler which is capable of being used to contain, distribute, transfer, process or otherwise handle gas, vapors, liquids and store energy under pressure internally and externally;

“Registration Certificate” means the Registration Certificate issued under Section 7; and

“structural alteration, addition or renewal” means changes and deviations from original design in the pressure parts but shall not be deemed to include any renewal or replacement of a petty nature when the part of fitting used for replacement is not inferior in strength, efficiency or otherwise to the replaced part or fitting.

Every reference in this Ordinance to any boiler or economizer where

provided shall be considered as integral part of the boiler.

[3. Limitation of application of this Ordinance— (1) Nothing in this Ordinance

shall apply to—

(a) any boiler in any steamship or in any mechanically propelled vessel;

(b) — any boiler appertaining to a sterilizer or disinfector and the like used in

hospitals, hotels, laboratories and other industries etc, if it does not exceed ninety one liters in capacity;

(c) any boiler used in relation to the nuclear energy; and

(d) any boiler or steam-pipe, belonging to or under the control of railway.

(2) [The Government may, by notification in the official Gazette and for

reasons to be recorded in writing, declare that provisions of this Ordinance shall not apply in the case of any specified class of boilers or steam-pipes.]

4. Power to limit extent.— The “[Government] may, with the concurrence of the

®Substituted for the words “a vessel” by the Punjab Boilers and Pressure Vessels (Amendment) Act 2017 (XI of 2017), published in the Punjab Gazette (Extraordinary), dated: 31 May 2017, pp. 7673-7677, s.3.

°Substituted by the Punjab Boilers And Pressure Vessels (Amendment) Act, 2013 (XX of 2013); and published in the Punjab Gazette (Extraordinary), dated 3.9.2013, pages 805-807, s.5.

Board, by notification in the official Gazette, exclude any specified area from the operation of all or any of the provisions of this Ordinance.

5. Appointment of Chief Inspector, Deputy Chief Inspector and Inspector.—

(1) The “[Government] shall appoint a person to be Chief Inspector for the province, who may, in addition to the powers and duties conferred or imposed on the Chief Inspector under this Ordinance, exercise any power or perform any duty so conferred or imposed on Deputy Chief Inspector and Inspector by or under this Ordinance.

(2) |The “[Government] may appoint such persons as it thinks fit to be Deputy Chief Inspectors for the Province who may, in addition to the powers and duties conferred or imposed on the Deputy Chief Inspector under this Ordinance, exercise any power or perform any duty so conferred or imposed on Inspector by or under this Ordinance.

(3) | The “[Government] may appoint such persons as it thinks fit to be Inspector for the Province for the purpose of this Ordinance, and may define the local limits within which each Inspector shall exercise the powers and perform the duties conferred or imposed by, or under, this Ordinance.

(4) Every Chief Inspector, Deputy Chief Inspector and Inspector shall be deemed to be a public servant within the meaning of the Pakistan Penal Code (Act XLV of 1860).

6. Prohibition of use of unregistered or uncertified boilers.- Save as otherwise expressly provided in this Ordinance, no owner of a boiler “[or pressure vessel] shall use the boiler “[or pressure vessel] or permit it to be used-

(a) unless it has been registered in accordance with the provisions of this Ordinance;

“(b) in case of any boiler “[or pressure vessel] which has been transferred from another Province or territory until it is registered under this Ordinance;]

(c) unless a certificate or provisional order authorizing the use of the boiler “[or pressure vessel] is for the time being in force under this Ordinance;

Substituted for the words “Provincial Government” by the Punjab Boilers And Pressure Vessels (Amendment) Act, 2013 (XX of 2013); and published in the Punjab Gazette (Extraordinary), dated 3.9.2013, pages 805-807, s.2.

"Substituted for the words “Provincial Government” by the Punjab Boilers and Pressure Vessels (Amendment) Act 2013 (XX of 2013); and published in the Punjab Gazette (Extraordinary), dated 3.9.2013, pages 805-807, s.2.

“Substituted for the words “Provincial Government” by the Punjab Boilers and Pressure Vessels (Amendment) Act 2013 (XX of 2013); and published in the Punjab Gazette (Extraordinary), dated 3.9.2013, pages 805-807, s.2.

“Ibid.

“Inserted by the Punjab Boilers and Pressure Vessels (Amendment) Act 2017 (XI of 2017), published in the Punjab Gazette (Extraordinary), dated: 31 May 2017, pp. 7673-7677, s.2.

"Ibid.

“Inserted by the Punjab Boilers and Pressure Vessels (Amendment) Act 2017 (XI of 2017), published in the Punjab Gazette (Extraordinary), dated: 31 May 2017, pp. 7673-7677, s.2.

Ibid.

(d) at a pressure higher than the maximum pressure recorded in such certificate or provisional order or under which the boiler “[or pressure vessel] was constructed and stamped; and

“(e) unless the boiler or pressure vessel is in the charge of a person holding the Boiler Engineers Competency Certificate required by such rules and he is not less than twenty one years of age:

Provided that a person who is more than seventy years of age shall produce for each year a medical certificate of fitness issued by a Medical Officer of a Tehsil or District Headquarters Hospital.]

7. Registration.— (1) The owner of a boiler “[or pressure vessel], which is not registered under the provisions of this Ordinance, shall apply to the Chief Inspector, under intimation to the [Inspection Authority or, as the case may be, the Inspector], to have the boiler “[or pressure vessel] registered. Imported boilers “[or pressure vessels] which have been operated outside Pakistan will require an examination certificate from an insurance or third party inspection company of the country where the boiler “[or pressure vessel] has been in operation confirming integrity of boiler “[or pressure vessel] in line with the guidelines for the Examination of Boiler “[or pressure vessel] End Plate to Furnace and Shell Welded Joints issued by the Associated Offices Technical Committee, UK or country of origin. The application shall be accompanied by a copy of bill of entry and evidence of payment of custom duty and such application shall be accompanied by the prescribed fee.

(2) On receipt of an application under sub-section (1) the “[Inspection Authority or, as the case may be, the Inspector] shall fix a date, within fifteen days or such shorter period as may be prescribed from the date of the receipt, for the examination of the boiler “[or pressure vessel] and shall decide the inspection time and schedule with the owner.

(3) On the date referred to in sub-section (2) the “[Inspection Authorities

expiry of the Registration Certificate. The owner may also approach the Chief Inspector for grant of a provisional certificate not exceeding three months on payment of the prescribed fee.

11. Revocation of Registration Certificate or provisional order.— (1) The Chief Inspector may, at any time, withdraw or revoke a Registration Certificate or provisional order on the report of the Inspector—

(a) if there is reason to believe that the Registration Certificate or provisional order has been fraudulently obtained or has been granted erroneously or without sufficient examination; or

(b) if the boiler in respect of which it has been granted has developed some defect or has ceased to be in good conditions; or

(c) where the “[Government] has made rules requiring that boilers shall be in the charge of persons holding certificates of competency and the boiler is in the charge of a person not holding the certificate required by such rules; or

(d) | where no such rules have been made, if the boiler is in the charge of a person who is not maintaining the boiler in accordance with standard operation procedures:

Provided that where the Chief Inspector withdraws or revokes a Registration Certificate or provisional order on the ground specified in clause (d), he shall communicate to the owner of the boiler the reasons in writing for the withdrawal or revocation, and the order shall not take effect until the expiry of fifteen days from the receipt of such communication.

(2) | The owner shall have the right to appeal to the Board against the order of the Chief Inspector.

(3) |The Board shall issue appropriate orders either approving or disapproving the order of the Chief Inspector within thirty days of notice of the order of the Chief Inspector.

12. Alterations and renewals to boilers.— No structural alteration, addition or renewal shall be made by the repairer in any boiler registered under this Ordinance unless such alteration, addition or renewal has been sanctioned in writing by the Chief Inspector. The execution of any modification as per the approved drawings shall be verified by the insurance company.

13. Duty of owner at examination.— (1) On any date fixed under this Ordinance for the examination of a boiler “[or pressure vessel], the owner thereof shall be bound—

“(a) to intimate the Inspection Authority or the Inspector, as the case may be, to provide all reasonable facilities for examination and to furnish

“Substituted for the words “Provincial Government” by the Punjab Boilers and Pressure Vessels (Amendment) Act 2013 (XX of 2013); and published in the Punjab Gazette (Extraordinary), dated 3.9.2013, pages 805-807, s.2.

“Inserted by the Punjab Boilers and Pressure Vessels (Amendment) Act 2017 (XI of 2017), published in the Punjab Gazette (Extraordinary), dated: 31 May 2017, pp. 7673-7677, s.2.

Substituted by the Punjab Boilers and Pressure Vessels (Amendment) Act 2017 (XI of 2017), published in the Punjab Gazette (Extraordinary), dated: 31 May 2017, pp. 7673-7677, s.8.

such information as may be required;]

(b) to have the boiler “[or pressure vessel] properly prepared and ready for examination as per written down examination procedures conforming to applicable codes; and

(c) in the case of an application for the registration of a boiler “[or pressure vessel], to provide such drawings, specifications, certificates and other particulars as may be prescribed.

(2) If the owner fails, without reasonable cause, to comply, the “[Inspection Authority or, as the case may be, the Inspector] at the expense of owner shall refuse to make the examination and shall report the case to the Chief Inspector who shall, unless sufficient cause to the contrary is shown, require the owner to file a fresh application under section 7 or section 8, as the case may be, and may forbid him to use the boiler “[or pressure vessel] notwithstanding anything contained in section 10.

14. Production of Registration Certificate, etc.- (1) The owner of any boiler “[or pressure vessel] who holds a Registration Certificate or provisional order relating thereto shall, at all reasonable times during the period for which the Registration Certificate or provisional order is in force, be bound to produce the same when called upon to do so by the Chief Inspector or the Inspector.

“(2) On non-compliance of an order, the Chief Inspector may initiate proceedings for cancellation of the registration certificate in the prescribed manner.]

15. Powers of entry. — An Inspector may, for the purpose of inspecting or examining a boiler or any steam-pipe attached thereto or in case of non observance of any provision of this Ordinance or of any regulations or rules at all reasonable times enter any place or building within the limits of the area for which he has been appointed in which he has reason to believe that the boiler is in use.

16. Report of accidents. — (1) If any accident occurs to a boiler “[or pressure vessel] the owner or person in charge thereof shall, within twenty-four hours of the accident, report the same in writing to the Inspector and to relevant “[Inspection Authority]. Every such report shall contain a description of the nature of the accident and of the injury, if any, caused thereby to the boiler “[or pressure vessel] or to any

person, and shall be in sufficient detail to enable the Ad hoc Technical Committee so appointed to determine the root cause of accident and fix the responsibility for such occurrence. The same shall also be reported to the Board.

(2) Every person shall answer truly to the best of his knowledge and ability every question put to him in writing by the Accident Committee nominated by the” [Government].

17. Appeal to the Board.— (1) Any person, owner or company aggrieved by any recommendation made by the insurance company or findings or decision of the Chief Inspector for—

(a) refusing to register a boiler or to grant or renew a Registration Certificate in respect of a boiler; or

(b) refusing to grant a Registration Certificate having validity for the full period applied for; or

(c) refusing to grant a Registration Certificate authorizing the use of a boiler at the maximum pressure desired; or

(d) — withdrawing or revoking a Registration Certificate or provisional order; or

(e) reducing the amount of pressure specified in any certificate or the period for which such certificate has been granted; or

(f) ordering any structural alteration, addition or renewal to be made in or to a boiler which contravenes the design code, or refusing sanction to the making of any structural alteration, addition or renewal in or to a boiler based on approved drawings may, within fifteen days of the communication to him of such order, refer appeal to the Board.

(2) | The Board shall communicate the decision in thirty days of receipt of an appeal, and pending final decision of the Board may grant interim relief to the owner.

18. Finality of orders.— An order of the Board under section 17 shall be final and shall not be called in question in any court.

19. Minor penalties.— Any owner of a boiler who refuses or without reasonable excuse neglects—

(a) to surrender a provisional order as required by section 9;

(b) — to produce a certificate or provisional order when duly called upon to do so under section 14; or

(c) to hand over to the new owner of a boiler a Registration Certificate or provisional order as required by section 14,

shall be punishable with fine which may extend to ten thousand rupees.

Substituted for the words “Provincial Government” by the Punjab Boilers and Pressure Vessels (Amendment) Act 2013 (XX of 2013); and published in the Punjab Gazette (Extraordinary), dated 3.9.2013, pages 805-807, s.2..

“[20. Illegal use of boiler and pressure vessel.— (1) The owner of a boiler or pressure vessel who, in any case in which a registration certificate or provisional order is required for its use under the Ordinance, uses the boiler or pressure vessel either without any such certificate or order being in force or without the assistance or presence of a qualified boiler engineer or at a higher pressure than that allowed thereby, shall be issued a warning to comply with the such provisions of the Ordinance, rules or regulations and within such time as the Chief Inspector may specify.

(2) In case, the order under subsection (1) is not implemented within the specified time, the Chief Inspector shall take such action as may be necessary including the closure of the boiler or pressure vessel or revocation of the registration certificate in the prescribed manner or, if necessary, sealing the factory in the prescribed manner.]

“[21. Penalties.— Any person who:

(a) uses or permits to be used a boiler or pressure vessel of which he is the owner and which has been transferred from any Province to Province of the Punjab without such transfer having been reported as required by section 6; or

(b) being the owner of a boiler or pressure vessel, fails to cause the register number allotted to the boiler or pressure vessel under this Ordinance, to be marked on the boiler or pressure vessel as required by subsection (8) of section 7; or

(c) makes any structural alteration, addition or renewal in or to a boiler or pressure vessel without prior approval when so required under section 12; or

(d) fails to report an accident to the boiler or pressure vessel when so required under section 16; or

(e) hampers with a safety valve of the boiler or pressure vessel so as to render it inoperative at the maximum pressure at which the use of the boiler or pressure vessel is authorized under this Ordinance; or

(f) uses the boiler or pressure vessel without getting it registered under the Ordinance; or

(g) fails to have a periodical inspection certificate issued for the boiler or pressure vessel as prescribed; or

(h) is a manufacturer of boilers or pressure vessels and contravenes the prescribed codes; or

(i) operates the boiler or pressure vessel without the assistance and presence of a qualified boiler engineer or technician—

shall be liable to punishment with imprisonment which may extend to two years but which shall not be less than three months and fine which may extend to

“Substituted by the Punjab Boilers and Pressure Vessels (Amendment) Act 2017 (XI of 2017), published in the Punjab Gazette (Extraordinary), dated: 31 May 2017, pp. 7673-7677, s.10.

Substituted by the Punjab Boilers and Pressure Vessels (Amendment) Act 2017 (XI of 2017), published in the Punjab Gazette (Extraordinary), dated: 31 May 2017, pp. 7673-7677, s.11.

four hundred thousand rupees but which shall not be less than fifty thousand rupees.]

22. Penalties for tempering with registration number, etc.— (1) Whoever removes, alters, defaces, renders invisible or otherwise tampers with the register number marked on a boiler “[or pressure vessel] in accordance with this Ordinance or any law repealed, hereby, shall be punishable with fine which may extend to twenty five thousands rupees.

(2) Tt * * * * *

(3) | Whoever fraudulently marks upon a boiler “[or pressure vessel] a register number which has not been allotted to it under this Ordinance or any Act repealed hereby, shall be punishable with imprisonment which may extend to two years, or with a fine which may extend to fifty thousands rupees or with both.

23. Limitation and previous sanction for prosecution.— No prosecution for an offence punishable by or under this Ordinance shall be instituted—

(a) after six month of the commission of an offence; and

(b) — without the previous sanction of the Chief Inspector.

24. Trial of offence.— Notwithstanding any thing in the Code of Criminal

Procedure, 1898 (Act V of 1898) no Court not inferior to that of a Magistrate of the first class shall try an offence under this Ordinance.

“[25. Punjab Boiler and Pressure Vessels Safety Board.— “[(1) The Government shall constitute a Board to be called the Punjab Boilers and Pressure Vessels Safety Board for purposes of this Ordinance.
